Atlas

Master the sound with professional precision. Engineered for demanding environments, the Atlas delivers an expansive soundstage and surgical clarity. Its high-fidelity drivers reveal every detail, while the over-ear design ensures a total acoustic seal for a distraction-free performance.

Uncompromising comfort and versatility. Built for marathon sessions, the Atlas features a reinforced headband and breathable memory foam cushions. The dual 3.5mm and 6.35mm inputs and heavy-duty coiled cable provide the durability and connectivity needed for high-energy live sets.

The definitive core of your DJ setup. More than just headphones, the Atlas is a statement of intent. Fully compatible with Orion and Juno controllers, its robust build makes it the essential tool for artists who require peak reference and reliability.
