

# VIETA

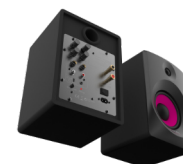

VIETA DJ

## Eclipse

Power your space with studio audio. The Eclipse monitors feature a two-way system with a 5" Woofer and 1" Tweeter. Delivering 50W RMS, they provide a precise response, allowing you to sculpt your sound via integrated bass and treble EQ controls.

Versatile connectivity for any setup. Featuring balanced TRS, RCA, and Aux In plus a USB-C port, these monitors ensure seamless digital integration. Bluetooth 5.3 adds wireless flexibility for effortless transitions between technical monitoring and casual listening.

Essential core for the digital creator. Fully compatible with DJ mixers and mobile devices, the Eclipse is the definitive tool for your workflow. Their compact, professional aesthetics make them the perfect ally for Vieta Pro controllers in any studio environment
