## G4000

The Vieta G4000 turntable combines elegant design with advanced technology to deliver an outstanding vinyl listening experience. Its aluminum platter ensures stable and precise playback, while the Audio-Technica cartridge provides clear, detailed sound with excellent fidelity.

Featuring a built-in phono preamp and internal power supply, it connects effortlessly to a wide range of audio systems without additional equipment. The semi-automatic start/stop system adds convenience while preserving the authentic vinyl experience, and the speed selector allows easy adjustment for different record formats.

For greater versatility, Bluetooth 5.0 output lets you stream your vinyl wirelessly to speakers or headphones with a stable, high-quality connection.

A transparent dust cover, vibration-reducing felt mat, and included RCA cable complete the design, blending classic tradition with modern functionality.

The perfect choice for vinyl enthusiasts who seek premium sound and effortless usability in one refined device.
