

VIETA PRO

Mini Boost

Discover the versatility of the Mini Boost speaker—a compact and modern design that delivers clear, balanced sound and reliable battery performance. With 10 W of power, true wireless stereo via TWS, and up to 8–10 hours of playback, it offers an enjoyable listening experience for everyday use.

Built with IPX4 water resistance and a durable construction, Mini Boost is suitable for both indoor and outdoor environments. It features stable Bluetooth connectivity, USB-C charging, and TWS pairing to enhance your sound in stereo, along with dynamic audio supported by a 52 mm driver and passive radiator for improved bass response.
