

# VIETA PRO

## Boost

Discover the power of the Vieta Pro Boost speaker—a bold design with enhanced performance, immersive sound, and extended battery life. With 40 W of power, true stereo sound via TWS, and over 8 hours of playback, it delivers a strong and dynamic listening experience for any occasion.

Built with IPX4 water resistance and a durable construction, Boost is designed for both indoor and outdoor use. It also offers versatile connectivity with advanced Bluetooth, USB-C charging, Aux-In, USB playback, and TF card support, along with TWS pairing to amplify your sound in stereo. Enhanced by dual 3-inch drivers and a silicone diaphragm, it provides deeper bass and more powerful audio performance, complemented by dynamic RGB lighting with multiple modes.
