

VIETA PRO

Inmerge

The Vieta Pro Inmerge over-ear headphones combine advanced technology, comfort, and versatility for an enhanced listening experience. Featuring Bluetooth 6.0, they deliver a fast and stable wireless connection for seamless audio streaming.

Hybrid Active Noise Cancellation reduces external noise, allowing you to enjoy a more immersive and focused sound experience. The double-foldable design makes them easy to carry and store, while USB-C charging ensures fast and convenient recharging. With Spatial Audio, it offers a new way of enjoying your music. Also Auracast offers more flexibility to connect to more devices.

With up to 50 hours of battery life, low-latency mode for perfectly synchronized audio and video, and an AUX input for wired listening, the Silence 4 adapts to any situation. They also include an integrated microphone and an additional cable with microphone for clear hands-free calls or voice recording.
