

VIETA PRO

Bone Dual

The Vieta Pro Bone Dual redefines the way you listen to music while staying active and aware of your surroundings. Thanks to bone-conduction technology, sound is transmitted through the cheekbones, keeping your ears open—ideal for sports and urban activities.

Its memory neckband design ensures a secure and comfortable fit, even during intense workouts. With an adjustable dual-wear design, the headphones can be bent up to 35° to rest on the ear and boost volume when needed.

Featuring Bluetooth 6.0, dual pairing to connect two devices at once, IPX5 water resistance, and up to 10 hours of battery life, the Bone Dual is built to keep up with you.

A perfect balance of technology, comfort, and safety for those always on the move.

● Black

What's in the box

- 1 x Bone Dual.
- 1 x USB-A to 2 magnetic-pin cable.
- 2 x earplugs.
- 1 x Quickstart Guide.
