

# VIETA PRO

## Adagio

The Adagio features the latest Bluetooth 5.3 technology, allowing you to connect wirelessly to smartphones, tablets and laptops for quick and easy music playback. With 65 W of power, it delivers rich, clear and immersive sound, perfect for filling any room or outdoor space.

It includes a USB port for direct playback from a flash drive, a phono input to connect your turntable and enjoy your vinyl records, and an HDMI connection to link the speaker to your TV for high-quality audio.

Thanks to TWS technology, you can pair two Adagio speakers for true stereo sound and double the audio power. Its high-capacity lithium battery offers up to X hours of continuous playback, and compatibility with the Vieta Pro Audio app lets you customize and control your listening experience.
