

VIETA PRO

Upper 4

The Upper 4 portable speaker stands out for its powerful performance and impressive size. With Bluetooth 5.3, it provides a stable and high-quality wireless connection to stream music from compatible devices. Its 45 W output delivers loud, powerful and clear sound, perfectly matching its large and robust design.

Thanks to its IPX7 water resistance, the Upper 4 is ideal for outdoor use or humid environments. The integrated RGB LED lights add colorful lighting effects for a dynamic visual experience. With up to 13 hours of battery life, you can enjoy continuous music throughout the day.

It also features wireless stereo connection for up to 99 units, allowing you to connect multiple speakers at once and create a massive sound system for big parties. Additional features include a USB player, USB-C fast charging, Aux-In input, and power bank function to charge other devices. The dual connection mode lets you stay connected to two devices simultaneously, making it easy to switch between audio sources.
