

VIETA PRO

Party Mic Twin

Enhance your presentations and classes with the Vieta Pro Party Mic Twin, a wireless microphone system designed for education, conferences and live speaking events. This versatile solution includes both a lavalier microphone and a headband microphone, along with a wireless transmitter and receiver for maximum flexibility.

Thanks to its reliable RF low-interference transmission, you can enjoy clear and stable audio with a range of up to 60 meters, allowing you to move freely while speaking. Whether in classrooms, training sessions or public presentations, your voice will always be heard with clarity and precision.

The system features a rechargeable Li-ion battery with USB-C charging, ensuring convenient and long-lasting performance throughout the day. Compact, lightweight and easy to set up, simply connect the receiver via the 6.5 mm jack and start speaking. Professional, practical and reliable, the Vieta Pro Party Mic Twin is the ideal wireless microphone system for education and presentations.
