

VIETA PRO

Influencer 2

The Vieta Pro Influencer 2 is a compact wireless microphone system designed for streamers, vloggers and content creators. With a 2.4 GHz connection and up to 25 meters of range, it ensures stable and reliable transmission wherever you record.

Featuring 16-bit / 48 kHz audio quality and dual microphones with ENC noise cancellation, it captures clear and natural voice even in noisy environments. The built-in mute function gives you instant control when needed.

Compatible with Android, iOS, Windows and macOS, and powered via USB-C, the Influencer 2 offers up to 6 hours of battery life, making it the perfect solution for high-quality wireless content creation on the go.
