

VIETA PRO

Influencer Plus

The Vieta Pro Influencer Plus is the perfect companion for streamers, vloggers, podcasters and content creators. Thanks to its 2.4 GHz wireless connection, it delivers stable, drop-free transmission with 16-bit / 48 kHz recording quality, ensuring clear and professional sound.

It includes two microphones with ENC technology (Environmental Noise Cancellation), providing crisp audio even in noisy environments. With a transmission range of up to 20 meters, you can move freely while recording, and the built-in mute function allows you to silence the microphone instantly whenever needed.

Compatible with Android, iOS, Mac, Windows and cameras, it features USB-C, Lightning and 3.5 mm mini-jack connections, making it easy to use with virtually any device. Its long-lasting battery offers up to 7 hours of autonomy, ideal for interviews, live streams or extended recording sessions.
