

VIETA PRO

Headphones Gently

VHP-BT499

English

Thank you for purchasing the **Gently** earphones VHP-BT499.
To ensure correct operation, please read this manual carefully before use.

USER MANUAL

This product has been developed under the **VIETA PRO** quality standards. For over 60 years, since its foundation in 1954 by the Vieta brothers, Vieta has always been guided by the motto "Love and respect for the art of music". It has thus achieved a privileged position in the electronics market, with constant effort and generous doses of passion.

The **VIETA PRO** models are based on professional sound standards, where quality, durability and sound are above those in commercial products of consumer electronics. They have been developed by the prestigious engineer "Jordi Hernandez", with more than 40 years in the sound industry. Under his expert direction, the **VIETA PRO** models are manufactured with the most precise components, producing the purest **VIETA PRO** sound.

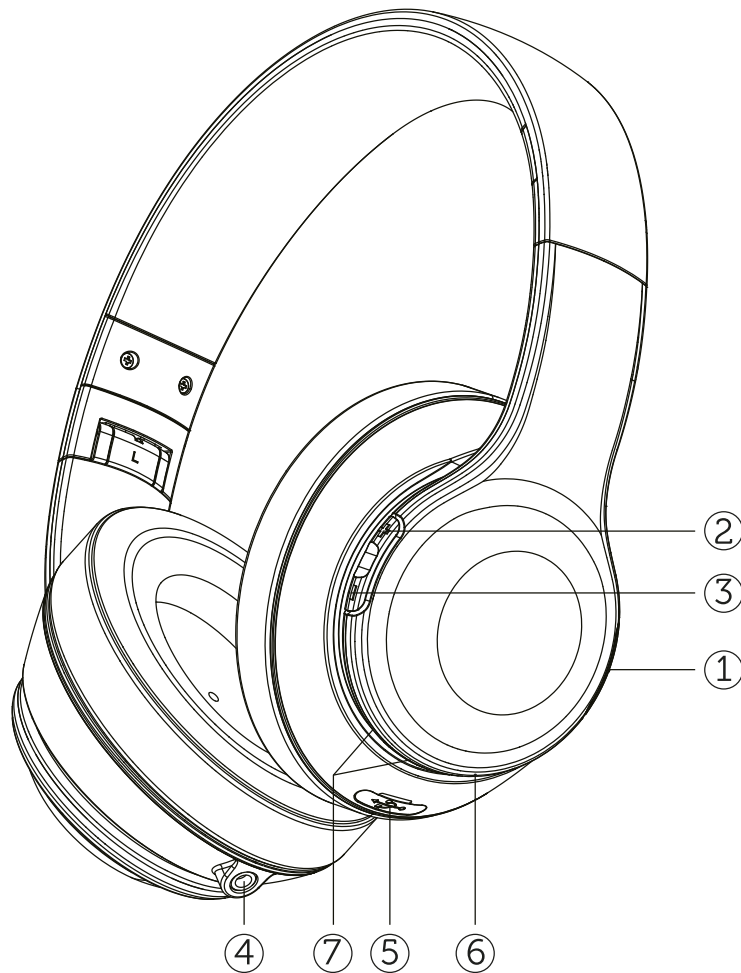

Bluetooth headsets are intended for use with devices that support Bluetooth wireless technology. This will allow you to make calls and enjoy music freely at any time.

Please read this user manual carefully before using the headphones as the smartphone manual regarding the use and activation of the Bluetooth function.

Pay attention to the safety and maintenance recommendations of the device and, for safety reasons, keep the handset out of the reach of children.
